APRIL UPDATE

Hello, and thank you to everyone for your support of the Arizona Oncology Foundation, especially during this trying time. We cannot wait to open our Resource Center doors and see everyone again.

We are continuing to provide support programs and services to patients during this time with a modified list of services we can offer, virtually. We are currently providing patients with, gas cards, food cards, lodging assistance, and housecleaning services. As you can imagine, our gas cards and food cards are the #1 most requested items. We are also providing Living with Cancer, Breast Cancer, Gynecological Cancer, and Lung Cancer virtual support groups via Zoom. We will be adding a "Coping with COVID and Quarantine" support group for cancer patients and caregivers next month.

During this time of so much uncertainty, we are grateful we can continue to support those who need us most! Our Resource Centers re-open date has been extended to May 29. If we can open them earlier, we definitely will. Until then, please know we are still here to support patients and are a phone call away to help, any way we can.

DONOR SPOTLIGHT

Thank you to our friends at Chick n Chaps for their generous support. They chose Arizona Oncology Foundation to be the beneficiary of their fundraising events this year. They raised and donated \$13,000 to support our Breast Cancer Support Programs.

"On behalf of Tucson Chicks n' Chaps, we hope this helps you continue to serve our local breast cancer community and we are thankful for all you do for us. We look forward to next year!"

VOLUNTEER SPOTLIGHT

We love checking in with our volunteers weekly. Here is what some of them are doing at home during quarantine...

Margi Lowrance

Margi has been busy sewing masks! She made 20 animal-themed masks for her daughter's mobile vet business. She also sewed 100 masks with her other daughter for the NW Fire District. Her daughter is coordinating the efforts to sew 600 masks for them! Thank you for taking care of our first responders!

Jean Niccum

Jean is staying fit and healthy walking up to 3 miles a day and doing yoga in the afternoons. Thanks for the reminder for us to keep moving, Jean!

We are looking forward to seeing all our volunteers in the Resource Centers!
