JUNE UPDATE

Hello,

We cannot believe June is over and we are already in July! We have been busy prepping our Resource Centers for reopening and continue to provide support programs and services to patients during this time with a modified list of services.

Numbers of support programs and services provided in June have been the highest seen since the beginning of the pandemic! Remote service offerings include transportation/gas cards, food cards, lodging assistance, and housecleaning services. Virtual support group participation has also grown with the following groups now offered: Living with Cancer, Breast Cancer, Gynecological Cancer, and Lung Cancer. If you or someone you know could benefit from a support group, please fill out an application online at www.arizonaoncologyfoundation.org.

As we near the reopening of our resource centers, we will be implementing several new protocols, as recommended by the CDC and our friends at Arizona Oncology, around sanitation and safety. The health and safety of our patients, volunteers, providers, and staff, are of the utmost priority. Follow us on Facebook for updates!

We have also hired a new Program and Volunteer Coordinator who will be officially joining us at the Foundation late July! Our next newsletter will formally introduce her.

In the meantime, please continue to share our information and let people know we are here to help them. Thank you for your support of the Arizona Oncology Foundation. Stay safe and stay healthy!

Arizona Oncology Foundation is a non-profit 501c3 organization.

Our mission is to provide support services to everyone whose lives are touched by cancer.

PATIENT TESTIMONIAL

“We’d like to say a big **THANK YOU** for the gas gift cards. They are such a big help!

We travel to my husband’s treatments in Tucson Monday and Friday. With all the bills that have been coming in from his ER visits and two trips to Tucson by helicopter, I cannot tell you how much those gas cards have helped us out.

We were no way prepared for this crisis in our retirement years and it has really been a very difficult time for us. I just wanted to let you know how much we appreciate your help! We couldn’t have made it this far without you!”

THANK YOU!
