MAY UPDATE

Hello, and thank you to everyone for your continued support of Arizona Oncology Foundation. How is May almost over? It has been a busy month for us at AOF.

We have been busy providing support programs and services to patients during this time with a modified list of services we can offer, virtually. We are continuing to provide patients with, gas cards, food cards, lodging assistance, and housecleaning services. Our gas cards and food cards are still the #1 most requested, and desperately needed items. We are also continuing to provide Living with Cancer, Breast Cancer, Gynecological Cancer, and Lung Cancer virtual support groups via Zoom.

We are prepping our Resource Centers to re-open! There are a lot of changes coming and it will be a different look and feel at our Resource Centers. We are taking every precaution to make sure when we open our doors, we follow all protocols for sanitation and safety. The healthy and safety of our patients, volunteers, providers, and staff, are of the utmost priority.

We are also in the process of hiring a new Program and Volunteer Coordinator. As soon as that person is hired and trained, we will be ready to open our doors again! Until then, please know we are still here to support patients and are a phone call away to help, any way we can. Stay safe and stay healthy!

Arizona Gives Day

**Thank you to everyone who donated to Arizona Oncology Foundation on Arizona Gives Day!
We raised over \$2,000 to go towards our programs and services.**

Arizona Oncology Foundation is a non-profit 501c3 organization.

VOLUNTEER SPOTLIGHT

National Charity League

Thank you to our friends
at NCL!

The mother-daughter
teams have been busy
sewing over 200 masks
for us to have at the
Resource Centers.

We are all going to need
masks when we re-open
and they are helping us
make that happen!

Thank you!
